

# GRUPO FOLED DE MÉXICO

## CABLE REELS

**Grupo FOLED** is a proudly Chihuahua-based company, founded in 2015, specialized in the development of **engineering solutions** that encompass the **design, production, and commercialization of special projects**, such as rigid LED pixel boards for wiring harnesses, as well as the **supply and distribution of industrial equipment** for various segments of the maquiladora industry, with a strong focus on the aerospace sector.

As a **direct importer**, Grupo FOLED partners with **leading Asian and American manufacturers**, supported by its own affiliated companies, allowing us to deliver **high-quality, efficient, and reliable products**, while developing **long-lasting, high-performance solutions** in close collaboration with our clients.

## OBJETIVE

To provide reels tailored to each customer's specific needs, meeting the highest quality standards to ensure reliable and efficient performance, fully aligned with the requirements of their product and industry.

## ADVANTAGES

- Available in different sizes, suitable for a wide range of applications.
- Manufactured in various materials, according to product requirements.
- Custom-designed to meet each customer's dimensions and technical specifications.
- Applications include cables, winding, belts, ropes, among others.
